Database	MySQL,MongoDB

EDUCATION

2023 - 2025	MSc (CA & IT) DCS-HNGU, PATAN	CGPA : 8.25
2020 - 2023	BSc (CA & IT) DCS-HNGU, PATAN	CGPA : 7.70
2018 - 2019	HSC Board Ashish Vidhyalay, PATAN	Percentage : 73.85

EXPERIENCE

Frontend Developer Intern – Encora Inc.

Jan 2025 – Jun 2025

- Contributed to the development of high-performance web interfaces, enhancing user experience and scalability through Next.js and React.
- Played a key role in translating design specs into responsive, pixel-perfect UI using Tailwind CSS, improving cross-device compatibility.
- Strengthened practical skills in Git, GitHub, and Agile methodologies through real-world project collaboration.

PROJECTS

- Industry Projects – Frontend Developer Intern, Encora Inc.

  1. ASTM
  - Developed responsive and reusable UI components using Next.js, Bootstrap, and SCSS.
  - Built responsive interfaces, ensuring cross-browser compatibility and consistent UX.
  - Optimized component architecture to enhance performance and long-term maintainability.

  2. Digital Voices
  - Contributed to frontend development of a production-grade system using React.js and Tailwind CSS.
  - Integrated RESTful APIs and implemented inline editing capabilities.
  - Developed a client-side table search feature that filtered data in real time based on user input, enhancing UX and data discoverability.
  - Implemented a "Jump to" feature for seamless in-page navigation, improving content discoverability and user flow.
  - Integrated AI-generated content summaries to provide users with quick, contextual overviews of data.

- Academic Project

  1. Event Management System
  - Engineered a full-stack event booking platform featuring user authentication, event scheduling, payment integration, and admin dashboards.
  - Key features included PDF receipt generation, email reminders, and role-based access control for secure admin functionality.
